I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: my compound prescriptions are
invaluable to me. They have relieved all
my menopausal symptoms and enhanced my
life. I directly oppose the draft M.O.U.
being proposed by the FDA.
